#### <u>Max Builder</u>

The Standard Dental Care plan includes a valuable feature that allows qualifying plan participants to carryover part of their unused annual maximum.

A participant earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions.

If a plan participant doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold: \$750

Dental benefits received for the year cannot exceed this amount

Annual Carryover Amount: \$400

Max Builder amount is added to the following year's maximum

Maximum Carryover: \$1,200 (Maximum possible accumulation for Max Builder)

An interactive voice response system for eligibility and claim information is accessible from 5:00 a.m. to midnight Pacific Time, Monday through Thursday, and from 5:00 a.m. to 5:30 p.m. on Friday.

#### **PPO Information**

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a PPO member dentist are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide PPO is available. To find member dentists in your area, visit:

http://www.standard.com/services/ppo\_providers.html. The plan you belong to is PPO - Nationwide.

#### **Pretreatment**

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

#### **Late Entrant Provision**

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

#### Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

This form is a benefit highlight, not a certificate of insurance.

By enrolling on this plan, member is agreeing to a one year commitment. Should member terminate coverage prior to their one-year anniversary, a \$100.00 fee will be imposed. All terminations must be made to CAMCO BENEFIT SERVICES and submitted in writing either by FAX, Email or Postal Mail.
